At the OMG TC Meeting
Tokyo
Tuesday, May 18, 1999

Quorate with three attendees,
Therese Smith was in the chair
9:00 Common Working Group

Announcement from John Lewis: He has joined a new company (DAK) and may be seeing us in the future, but has resigned from the Co-Chairmanship of the Transportation TF.

Correspondingly, we are accepting nominations for co-chair, and would like to hold elections at the next meeting, San Jose. Nominations will be accepted via email.

Therese Smith nominates William Visnich, Union Switch
Seconded by Bill Branch, CSC

Exploration of topics to be treated in Common working group

US Postal service, user of intermodal transportation, might give a presentation – we could ask

Maybe SEI would give a talk, for example on productization

Paul McGee can we ask him to speak at a future meeting about interoperability among railroads

A business analyst from IBM in TPF will come

Common working group adjourned
