

Platform Technology Committee Agenda

The PTC plenary meeting will take place at the Hyatt Regency Crystal City Hotel, Arlington, VA, USA on the morning of Friday 27th March, after both the AB and DTC meetings.

The final version of these draft agenda will be distributed on the evening of 26th March.

The issuances of RFPs, RFCs, RFIs and White Papers will be contingent on the relevant Task Forces recommending them for issuance, and (for RFPs and RFCs) Architecture Board endorsement of that recommendation.

The Technology Recommendations are listed for information only; if the relevant Task Forces make these recommendations, and the AB endorses them, the PTC will vote by email, starting after the meeting. However, for convenience, representatives of voting members may register their intended email vote during the meeting; this will be emailed out to their company's registered voter for confirmation after the meeting.

This meeting will be open to representatives of all OMG members. The quorum is 10.
