

Business Modeling & Integration DTF

Jacksonville, Florida, March 22-26, 2010

Monday, March 22, 9:00-17:00, BMIDTF Plenary

Morning

- 9:00 Value Delivery Metamodel initial submission presentation
- 10:00 Break
- 10:30 Organization Structure Metamodel. A revised submission date is required for the current RFP. In response to concerns that the RFP is out of date, a revised draft will be considered for possible re-issue of the RFP. bmi/2010-01-01 shows change marks against the current RFP. bmi/2010-02-02 has some additional changes per Pete Rivett's comments.

Afternoon

- 1:00 Vote to delay initial submission date for Case Management Process Modeling submissions
- 1:15 Decision Modeling Notation for Business Rules and BPM—Jan Vanthienen
- 2:15 Break
- 2:45 Reconciling BPMN and UML for UPDM—Fatma Dandashi
- 3:45 Continue OSM discussion/revision if necessary

Tuesday, March 23, 9:00-17:00, Business Architecture Special Interest Group

See separate agenda at <http://www.omg.org/news/meetings/tc/agendas/fl/BASIG.pdf>

Thursday, March 25, 9:00-12:00, BMIDTF Plenary 2

- 9:00 Assuming the task force chooses to proceed with a replacement for the OSM RFP, this session will address any further changes and vote to recommend issue of the RFP. In the alternative, this session will vote on a revised submission date.
