Cloud Working Group

Ottawa, Ontario, Canada – Tuesday, 25 September 2018

Agenda

(rev.2 – 09 September 2018)

This is the inaugural meeting of the CWG, which replaces the Cloud Standards Customer Council (CSCC).

We will attempt to live-stream the event on an OMG's YouTube channel. Instructions will be sent to the CWG mailing list, cloudwg@omg.org, in the days preceding the meeting. If you are not subscribed, visit www.omg.org/cloud and click "Join the CWG" in the sidebar.

13:00—13:15	Introductions and agenda review
13:15—13:30	Cloud WG Governance • Current co-chairs confirmation or replacement • Future selection process
13:30—14:15	Transition from the CSCC to the CWG (Repeat of the July webinar, "Introducing the OMG Cloud Working Group")
14:15—14:45	Communication materials • Review the new website and wiki page • Solicit change requests and volunteer editors
14:45—15:00	Break
15:00—15:30	Presentation on ISO/IEC SC 38 work – Steven Woodward, Cloud Perspectives
15:30—16:30	Deliverables planning • Review the current list of papers inherited from the CSCC • Review the new papers suggested by members • Prioritize the next deliverables
16:30—17:00	Q4'18 and 2019 roadmap • Discussion papers (based on previous item) • Other activities to place on the roadmap?
17:00—17:15	Schedule of meetings • Confirmation that face-to-face meetings are useful? • Plan for interim conference calls – frequency? Date for next webcast? • Feedback on live broadcast – repeat in Seattle?
17:15—17:30	Q&A, feedback, adjournment
