Liaison Activity with External Organizations (continued)

- **ISO/IEC/JTC1 (continued)**

- **Unified Modeling Language (UML 2.5)**. Richard Soley received customer query about intent to publish update; several members have inquired. So, do OMG intend to submit this to ISO. If so: Are we reusing previous ISO number with a year appended or do we need a totally new number? Who is going to write the Explanatory Report and who is to work with OMG Editor (Lisa Heaton) to do the final editing to submit UM 2.5 as an ISO Draft International Standard (DIS)?

- **New chairs will need an ISO Global Directory Account, etc. to monitor the process.**
