

Healthcare Domain Task Force

TC Meeting Date: Sept 29, 2017
Reporting Chair: Ken Rubin & Robert Lario
Group page (URL):
Group email: healthcare@omg.org

- **Highlights from this Meeting:**

- Care Order Services of care initial submission was moved to 2/19/2018
- Recommended that HL7 affirm RLUS
- Ken Rubin and Robert Lario were reelected as chairs of the HDTF
- Held the Healthcare Portability Workflow with BPMN – An Industry Workshop
- Presented pilot use case utilizing BPMN, CMMN, and DMN standards as applied to a Healthy Pregnancy use case. This use case activity is cosponsored by the American College of Obstetrics and Gynecology
- Explore key lessons learned, applied use patterns, and key take-aways from the BPM pilot activities. Discussed abstraction of these experiences as part of the community body-of-knowledge, relating this workstream to the BPM Field Guide effort
