

Business Modeling & Integration DTF

TC Meeting Date: 28 September 2016
Reporting Chair: Claude Baudoin
Group page (URL): <http://bmi.omg.org/>
Group email: bmi@omg.org

Highlights from this Meeting

- “Exploring BPMN, CMMN and DMN Unification”
 - Two-hour session with 5 remote attendees, led by Denis Gagné
 - Intent to add an overall architectural view of processes, cases and decisions
 - Leaving the existing specs alone
 - Based on the experience of the Field Guide for Clinical Pathways (HC DTF)
- SysML Requirements Package
 - Presentation by Sandy Friedenthal
 - In support of BMI exploration of a generic (not technical only) requirements modeling specification

Business Modeling & Integration DTF

TC Meeting Date: 28 September 2016
Reporting Chair: Claude Baudoin
Group page (URL): <http://bmi.omg.org/>
Group email: bmi@omg.org

Highlights (cont'd)
